Transaction 48290 · v1 · Page 1 of 2

SCHEDULE A — DESCRIPTION OF INTEREST

Fictional Harborfield Title Services file PT-48290, effective August 24, 2026 at 07:30. Property 48 Redwood Place, Harborfield; APN 084-221-019. Interest: fee simple. Seller vesting shown: Jamie Ellis, an individual. Proposed insured purchaser: Taylor Morgan, final manner of vesting subject to written instruction. Legal description: Lot 19, Harbor View Tract No. 18. This preliminary report identifies proposed title conditions; it is not the issued policy.

SCHEDULE B — EXCEPTIONS

1. Current fiscal-year real property taxes, payable as provided by the taxing authority; final proration to settlement. 2. Recorded utility easement along the rear five feet of the described lot; no new encroachment determination is supplied. 3. Matters disclosed by an accurate survey or physical inspection, to the extent provided in the contemplated policy. 4. Rights of persons in possession, if any, other than the disclosed seller occupancy. The listed standard exceptions are not a statement that a newly discovered defect has been cured.

INSTRUCTIONS TO SETTLEMENT DESK

Use the file reference on correspondence and preserve the date of each revised instruction. An unsigned email requesting a different payee, beneficiary, or mailing address must be verified under the established call-back procedure before the affected entry is changed. The preparer shall distinguish estimated figures from received funds and distinguish a payoff request from an accepted payoff demand. A preliminary ledger entry is not proof of a bank credit. The escrow officer shall obtain written clarification when instructions from the parties and the lender are inconsistent; no party's silence is to be entered as agreement to a changed amount.

SCHEDULE B — SUPPLEMENTAL ENTRY 5

No unresolved lien exception requiring transaction escalation is identified. No supplemental monetary lien is entered under item 5 in this fictional search. Standard exceptions above remain subject to normal title and escrow review. Title officer Jordan Reyes shall retain the instrument reference and the evidence supporting any deletion from the proposed exceptions. A request for evidence is not equivalent to receiving it. Do not remove a recorded item solely because another party believes it will be paid from sale proceeds.

RECONCILIATION AND RETAINED COPIES

Compare the legal description furnished for deed preparation with the title file rather than relying solely on a street address. A corrected spelling or middle initial shall be traced to the person's identification and the vesting instruction. Taxes and prepaid charges may be prorated using different periods; the period and method should accompany the line rather than appear as an unexplained adjustment. Preserve the prior estimate when a charge is updated so that a duplicate debit or credit can be detected. Copies marked 'received' show custody of a document; only the issuing professional can confirm the approval or release that the document purports to record.

SCHEDULE C — PROPOSED ISSUANCE

Obtain the final signed conveyance and accepted vesting instruction matching the legal description. Update the search through the applicable issuance period and reconcile intervening instruments before the final policy is issued. No survey, mineral-interest opinion, zoning guarantee, or tax exemption is included. The premium and policy amount shall be confirmed with the title desk rather than inferred from an unaccepted negotiation.

EXCEPTIONS AND DELIVERY

Instructions requiring a release, certificate, or third-party consent remain distinct from the actual evidence supplied in response. An exception may be resolved by written commitment from the appropriate party only where acceptable to the title and settlement professionals. Mailing a signed document does not establish recording; preserve the recorder's confirmation separately. Deliver final copies to the named recipients after completion of the applicable step. No account routing number appears in this counterpart. Requests for payment instructions shall be answered through the verified escrow channel rather than by forwarding a previous message containing banking information.
