IDENTITY AND PROPOSED DEED ENTRIES

File HF-2026-48290; 48 Redwood Place, Harborfield; APN 084-221-019. Current named seller Jamie Ellis; proposed purchaser Taylor Morgan. Preliminary title describes the seller as an individual. Buyer has not elected a trust, partnership, or corporation in this worksheet. Exact final vesting language is to be supplied by the parties with appropriate advice; the preparer is not choosing a legal ownership form for them.

TAX DOCUMENT ROUTING

Seller identification received for file matching; taxpayer number intentionally absent from this counterpart. California withholding treatment: refer to seller's completed current certification and escrow/tax review; no exemption determined here. Federal foreign-person certification: request through the settlement channel; no conclusion based on mailing address or citizenship assumption. No withholding amount, tax rate, or zero-tax representation is entered in this coordination worksheet.

INSTRUCTIONS TO SETTLEMENT DESK

Use the file reference on correspondence and preserve the date of each revised instruction. An unsigned email requesting a different payee, beneficiary, or mailing address must be verified under the established call-back procedure before the affected entry is changed. The preparer shall distinguish estimated figures from received funds and distinguish a payoff request from an accepted payoff demand. A preliminary ledger entry is not proof of a bank credit. The escrow officer shall obtain written clarification when instructions from the parties and the lender are inconsistent; no party's silence is to be entered as agreement to a changed amount.

AUTHORITY AND PRIVACY

A person signing under a power of attorney or for an entity must supply authority acceptable to title and escrow; no such alternate signatory is proposed in the current identity entry. A misspelled name shall be corrected consistently before the deed is prepared. Tax forms containing full identifiers shall remain in the restricted settlement file, not appended to the general buyer packet. The title officer's preparation acknowledgment below is not a seller tax certification.

RECONCILIATION AND RETAINED COPIES

Compare the legal description furnished for deed preparation with the title file rather than relying solely on a street address. A corrected spelling or middle initial shall be traced to the person's identification and the vesting instruction. Taxes and prepaid charges may be prorated using different periods; the period and method should accompany the line rather

than appear as an unexplained adjustment. Preserve the prior estimate when a charge is updated so that a duplicate debit or credit can be detected. Copies marked 'received' show custody of a document; only the issuing professional can confirm the approval or release that the document purports to record.

EXCEPTIONS AND DELIVERY

Instructions requiring a release, certificate, or third-party consent remain distinct from the actual evidence supplied in response. An exception may be resolved by written commitment from the appropriate party only where acceptable to the title and settlement professionals. Mailing a signed document does not establish recording; preserve the recorder's confirmation separately. Deliver final copies to the named recipients after completion of the applicable step. No account routing number appears in this counterpart. Requests for payment instructions shall be answered through the verified escrow channel rather than by forwarding a previous message containing banking information.
