OPENING INSTRUCTION 01

Escrow file HF-2026-48291 is opened with Harborfield Title & Escrow for Taylor Morgan and Jamie Ellis, property 123 Main Street, Harborfield. Casey Morgan is assigned as escrow officer. Written instructions require escrow to hold funds, coordinate prorations, obtain lender funding confirmation, and confirm recording. Proposed consideration is \$850,000.00; proposed close is September 17, 2026. These entries are to be checked against the parties' accepted instruments before settlement.

INSTRUCTION 02 — CUSTODY LEDGER

Identify the remitter, the file to be credited, amount actually posted, and receipt date for each deposit. Do not backdate a receipt to the date a buyer requested a transfer. A pending credit shall be separately marked and shall not reduce the amount still required from the buyer as though received. The deposit requirement appearing in the agreement is \$25,500.00. Preserve a returned or corrected transfer separately from the original remittance entry.

INSTRUCTIONS TO SETTLEMENT DESK

Use the file reference on correspondence and preserve the date of each revised instruction. An unsigned email requesting a different payee, beneficiary, or mailing address must be verified under the established call-back procedure before the affected entry is changed. The preparer shall distinguish estimated figures from received funds and distinguish a payoff request from an accepted payoff demand. A preliminary ledger entry is not proof of a bank credit. The escrow officer shall obtain written clarification when instructions from the parties and the lender are inconsistent; no party's silence is to be entered as agreement to a changed amount.

INSTRUCTION 03 — PRORATION BASIS

Use actual calendar days in the applicable period for preliminary property-tax prorations, subject to the final bill and approved instructions. No association dues are entered in this estimate. Utilities remain the parties' direct responsibility unless an agreed settlement charge is supplied. Do not create a tax exemption, payoff credit, or withholding determination from an unsigned worksheet. Release keys only under the written possession arrangement after the required confirmation.

RECONCILIATION AND RETAINED COPIES

Compare the legal description furnished for deed preparation with the title file rather than relying solely on a street address. A corrected spelling or middle initial shall be traced to the person's identification and the vesting instruction. Taxes and prepaid charges may be prorated using different periods; the period and method should accompany the line rather

than appear as an unexplained adjustment. Preserve the prior estimate when a charge is updated so that a duplicate debit or credit can be detected. Copies marked 'received' show custody of a document; only the issuing professional can confirm the approval or release that the document purports to record.

EXCEPTIONS AND DELIVERY

Instructions requiring a release, certificate, or third-party consent remain distinct from the actual evidence supplied in response. An exception may be resolved by written commitment from the appropriate party only where acceptable to the title and settlement professionals. Mailing a signed document does not establish recording; preserve the recorder's confirmation separately. Deliver final copies to the named recipients after completion of the applicable step. No account routing number appears in this counterpart. Requests for payment instructions shall be answered through the verified escrow channel rather than by forwarding a previous message containing banking information.
