FINANCING PREAPPROVAL

Transaction 48291 · v1 · Page 1 of 2

DELIVERED ELECTRONICALLY

DEAR TAYLOR MORGAN

Re: HCL-48291, proposed acquisition of 123 Main Street, Harborfield. Lender preapproval is retained for the buyer and identified property. Harbor Community Lending preliminarily accepts an application for a conventional 30-year fixed loan amount of \$680,000.00, subject to the conditions below. The proposed owner occupancy and purchase consideration were supplied with the application; a change in the accepted contract must be reported.

CONDITIONS ACCOMPANYING DECISION

Provide the most recent complete asset statement, a current employment verification, the accepted agreement sequence, and insurance evidence effective at funding. Appraisal and title review are subject to the lender's final comparison with the accepted contract. Ordinary underwriting, appraisal, insurance, and final-document conditions remain before a clear-to-close may be issued. This preapproval is not a funding commitment and does not resolve an inconsistent price or an omitted party signature.

APPLICANT CORRESPONDENCE

Please send documents through the lender's secure intake channel and place the application reference on each attachment. Provide every page of an account statement, including a page containing only disclosures, because running balances and ownership information may appear outside the transaction listing. A large transfer between accounts should be accompanied by both sides of the transfer. Do not redact the account holder's name, statement period, or last four digits needed for matching; full account numbers are not reproduced in this copy. Gifts, borrowed funds, and proceeds from an asset sale have different supporting-document requirements. Contact the assigned processor before substituting one source of funds for another.

PROCESSOR'S CORRESPONDENCE

Documents uploaded August 25 are indexed to the application; indexing is not condition clearance. The processor will identify the response to each condition in the conditions list. Please avoid submitting only a selected statement page or a cropped image omitting the owner and period. Current contact: Morgan Lee, Harbor Community Lending. Requested closing coordination date: September 17, 2026. No bank debit or loan proceeds have been released by this letter.

FINANCING PREAPPROVAL

Transaction 48291 · v1 · Page 2 of 2

DELIVERED ELECTRONICALLY

CHANGES BEFORE FUNDING

Tell the loan officer promptly about a change of employment, compensation structure, occupancy intention, other financed property, new installment obligation, or a changed purchase agreement. A credit inquiry may require an explanation even if no account was opened. Do not assume that a verbal rate discussion is a rate lock or that a lock remains in effect after its stated expiration. An approved program is not permission to disburse against an incomplete settlement file. The lender's closing desk will compare the final contract, hazard evidence, title instructions, and signed package to the conditions applicable at the time it releases funds.

AMOUNTS AND TIMING

Escrow deposits and annual premiums are different from the monthly payment retained in a servicing account. A payment illustration excludes utilities, maintenance, and assessments not collected by the lender. Daily interest changes with the actual funding date; the estimate assumes the proposed schedule rather than guaranteeing it. Charges paid before closing should be credited only once. If an invoice changes, retain both the original estimate and the revised amount with an explanation of the affected line. Receipt of this correspondence acknowledges delivery only and does not commit the applicant to a loan. Questions about a specific fee should identify its line code and the version being compared.
