FICTIONAL EVIDENCE OF BOUND COVERAGE

Issuer Harborfield Mutual Demo Company; agency Harbor Coast Coverage; binder DEMO-HO-48291. Named insured Taylor Morgan; premises 123 Main Street, Harborfield; owner-occupied single-family residence, construction year 1988. Effective September 17, 2026 at 12:01 a.m.; binder expires 30 days later unless replaced by policy evidence. This fictional binder records bound coverage for the scenario, not a quotation; it creates no real insurance.

COVERAGE SCHEDULE

A | Dwelling replacement-cost limit | \$650,000
B | Other structures | \$65,000
C | Personal property | \$325,000
D | Loss of use | \$130,000
E | Personal liability | \$300,000
All-peril deductible | \$2,500
Annual premium | \$1,680
Mortgagee | Harbor Community Lending, its successors/assigns as interests appear

CONDITIONS AND LIMITATIONS

Coverage descriptions are subject to the identified policy and endorsements. Replacement-cost terminology does not mean that every kind of loss or every item of property is covered. Deductibles apply to covered losses under the applicable section and may differ for a separately insured peril. Flood, earth movement, wear, neglect, and excluded business activities should not be assumed to be included merely because the building is insured. The agent has not made a flood-elevation survey or determined structural adequacy. Questions about a particular exposure should identify the location, intended use, and relevant endorsement so that the insurer can respond in writing.

BINDER ENTRIES

Agent Riley Brooks entered the scenario binder August 27, 2026 at 14:45. Coverage amount reflects the stated replacement-cost estimate and is not the purchase price or appraised land value. Separate flood and earthquake coverage are not included in this schedule. Final lender funding remains subject to its own verification of required insurance evidence. Changes to the effective date must be endorsed by the issuing agent rather than handwritten by escrow.

EVIDENCE SUPPLIED TO LENDER

Compare the named insured, location, effective date, mortgagee wording, dwelling limit, and deductible with the lender's request. A quotation is not a binder, and a premium calculation alone does not establish that payment has been received. A later policy may contain endorsements that were not reproduced in the evidence copy. Notify the issuing agent if possession, occupancy, construction activity, or closing date changes before the intended effective date. A requested correction shall identify the particular field being replaced rather than asking the settlement desk to infer a change from another attachment.

RENEWAL AND CLAIMS CORRESPONDENCE

Maintain an independent contact for the issuing agency and retain the acknowledgment of any change request. Do not send sensitive payment information through an unverified reply address. A claim should identify when the condition was first observed, photographs available, and steps taken to prevent additional damage; this worksheet does not decide whether a future claim will be paid. Estimated annual cost may change at renewal and is not a promise of continued availability. Optional coverages declined at application may be requested later subject to underwriting and the insurer's own effective-date requirements.
